

Solberg Knowles & Associates provides top-tier water and wastewater treatment solutions across Michigan and the Upper Peninsula. We offer customized, high-quality products from leading manufacturers, with a focus on delivering outstanding customer service and sustainable water solutions.

## Wastewater Treatment Equipment

### Algaewheel

Algae Based Treatment

### Aeration Industries

Floating Aspirator  
Floating Mixer  
Triton Advanced Floating Aeration  
Oxidation Ditch  
Argos Sequencing Batch Reactor

### Aqseptance Group

Bar Screens  
Perforated Plate Screens  
Spiral Sieve Screens  
Center Flow Screens  
Grit Classifiers  
Combi Screen and Grit Removal  
Secondary Clarifiers  
Rotary Drum Screens

### Aquapyr

Low Waste Tertiary Filtration

### ASA Chemscan

Phosphorus Analyzers  
DO Analyzers  
Multi Parameter Analyzers  
Analytical Equipment

### Biogill

Package BOD Removal System

### Bioworks

Extended Aeration Treatment Process  
Fine Bubble Diffuser  
Cross Flow Clarifier  
Dynox Denitrification System

### Chemtrac

Residual Chlorine Analyzers  
Multiparameter Analyzers  
Streaming Current Detectors

### Clearstream

Jet Mixing System  
SBRs  
Clarifiers/Drives/Accessories  
DAFs  
Thickening

### E3

Polymer Feed Systems  
Multipress  
Screw Press

### ECT2

PFAS Removal  
Activated Carbon  
Foam Fractionation  
Ion Exchange

### Envirodyne

Clarifiers, Mechanisms, and Drives  
Octocell Grit  
Vortex Grit Removal  
Oxidation Ditch Rotors

Anaerobic and Aerobic Digesters

### ETS Evoqua

Closed Vessel UV

### Fournier Industries

Rotary Press  
Filter Press

### Gryphon Environmental

Sludge Dryers

### Hallsten Aluminum

Aluminum Tank Covers  
Clarifier Covers  
Lauder Covers  
Biofloor

### HardyPro Air

Blower Packages

### Harvest LLC

Active Solar Drying  
Sludge Reformer

### Ishagaki

Screw Press

### Lemna Environmental

Lagoon Aeration Solutions

### Lovibond

Turbidity Analyzers  
Lab Equipment

### Mitcherson

EcoSieve

### Nordic Water

Sandfilter  
Supercloth Disc Filter  
Belt Filter  
Inlet Drum Filter

### Nuvoda

Mobil Organic Biofilm (MOB)

### Open Channel Flow

Fiberglass Manholes  
Fiberglass Flumes

### Phoenix

Belt Filter Press

### Primex

Treatment Plant Controls  
MCCs  
Integration  
SCADA and Telemetry

### RKI

Gas Detection Equipment

### Scadata

SCADA and Telemetry Systems

### Scaleton Ind Scales

Tank Scales  
Containment Bases

### Schreiber

Fuzzy Filters  
Clarifiers  
Grit and Grease

### STT Storage and Transfer

Lime Handling and Slaking Systems

### Superior Water Solutions

Gas Chlorinators  
Vaccufeed  
Autovalves  
Analyzers

### Tank Connections

Steel Bolted Tanks  
Tank Dome Covers

### Thermal Process Systems

Thermophilic Biosolids Treatment  
Anaerobic Optimization System  
Odor Control Units  
Consistent Nutrient Control

### Titus Twister

Floating Mixers  
Floating Aeration  
Odor Control

### Tomorrow Water

Primary Treatment  
Secondary Treatment  
Tertiary Treatment  
Nitrification/Denitrification

### Vapex Environmental

Wastewater Odor Control  
Hydroxyl Ozone Generation

### Waco Gates

Slide Gates  
Stop Gates  
Weirs  
Baffles

### World Water Works

MBBR  
DAF  
Biocos Activated Sludge  
IFAS  
Annamox Anaerobic Granular Deammonification  
inDense Hydrocyclone Selective Sludge Wasting  
Advanced Aeration Control

## Collection and Distribution Equipment

### Barnes Pumps

Submersibles  
Chopper  
Dry-Pit  
Grinder  
Low Pressure Sewer  
Sump  
Vortex  
Non-Clog  
Wet Well Conditioning

### Flowrox

Chemical Metering Pumps  
Transfer Pumps  
Dosing Pumps

### Halliday Products

Access Covers  
Safety Grating  
Portable Hoists  
Wet Well Accessories

### JWC

Muffin Monster

### Precision Systems

Package Lift Stations  
Drop In and Drop Over Buildings  
Generator Buildings and Enclosures  
Water Booster Systems

### Primex Controls

Lift Station Control Panels  
iControl SCADA  
LS Alarm Packages

### Roto Pumps

Positive Displacement Pumps  
Progressive Cavity Pumps  
Dosing Pumps

### Scadata

Radio Based Telemetry System  
Full System SCADA

### Smith and Loveless

Self Priming  
Vacuum Primed  
Wet Well Packages  
Suction Lift Pumps

### Vahn-Tec Valves

Plug Valves  
Check Valves  
Butterfly Valves  
Ball Valves  
Gate Valves  
Knife Gate Valves

### Vapex

Wet Well Odor Control  
Hydroxyl Ozone Generation

### Weinman

Split Case Pumps  
End Suction Pumps  
Inline Pumps

## Water Treatment Equipment

### Deloach Industries

Room Scrubbers  
Biofilters  
Microfiltration

### ECT2

PFAS Removal  
Activated Carbon  
Foam Fractionation  
Ion Exchange

### ETS UV

Closed Channel UV

### Harn

Membrane Water Treatment

### Hungerford and Terry

Horizontal and Vertical Filtration Systems  
Ion Exchange  
Demineralization  
Degasification  
Plug and Play Systems  
Iron and Manganese Removal  
Arsenic Removal  
Radium Removal  
PFAS Removal

### Johnson Screens

Water Intake Screens

### Meurer Research Industries

Water Intake Treatment  
Baffles  
Vertical Turbine Flocculators  
Paddle Wheel Flocculators  
Sludge Collector  
Inline Plate Settlers  
Tube Settlers

### Nordic Water

Lamella Plate Clarifiers

### Quest Dehumidifiers

Hi E Dry 195 Dehumidifiers

### RKI

Gas Detection Equipment

### Scaletron Ind Scales

Chemical Tank Scales

### Superior Water Solutions

Gas Chlorinators  
Vaccufeed  
Autovalves  
Analyzers

Some Exciting New Additions - Summer 2025

# ProMinent®

- Polymer Feed Systems
- Diaphragm Metering Pumps
- Peristaltic Metering Pumps
- Chemical Transfer Pumps
- Skid-Mounted Solutions
- Solid Feed Applications

## JWC Environmental®

A Sulzer Brand

- Muffin Monster Grinders
- In-Channel Grinder Systems
- In-Line Grinder Systems
- Retrofitting and Lower-Headloss Upgrade Packages
- Pre-Engineered Manhole Grinder Packages
- Individual Cutter Stacks

## HydraBubble

WICKED MIXING

- Big Bubble Mixing
- Anaerobic and Anoxic Zone Mixing
- Resuspension of Solids and Dead Zone Solutions
- System Design and Layout

- Fine Bubble Diffusers
- Floor-Mounted Panel Diffusers
- Self-Cleaning Controls
- Aeration Design and Layout
- Oxygen Demand Calculations

Stay tuned for more!!
